

Our Mission:

The Denver Society of Creation is a non-profit organization dedicated to promoting a clear understanding of the Doctrine of Creation, recognizing that it is the foundation for other Christian doctrine. We present the Biblical account of Creation (creation in 6-24 hour days about 6000 years ago and a global flood) as true and we demonstrate that the theory of evolution is an attack on all Christian teachings which causes many to reject the Christian faith.

Is Your Child At Risk of Leaving the Church?

Sixty Per Cent of our Children Are!

Our Battle

Genesis 1-11 is the foundation of the gospel message; it is the place where we find all our origins: the origin of our universe, the origin of marriage, the origin of society, the origin of sin and many others. It is the beginning of God's plan for our salvation. Without a solid understanding of these beginnings: creation, the fall, and God's judgments in the worldwide flood and the tower of Babel, it is impossible to develop a truly Christian world view. This is becoming increasingly evident in our society today.

Judy Finnessy – President

What We Believe

We stand on the authority of God's word, the Holy Bible, from beginning to end. We believe that it is inspired by God, infallible and inerrant. We believe God created all things exactly as He states in Genesis - in six 24 hour days about 6000 years ago. We also believe in a global catastrophic flood.
