

“God’s Word Is Our Great Heritage”

A Conference on Creation and Education in the LCMS!!

Is Your Child in Danger of leaving the Church?

Sixty Per Cent of our Children Are!

Two of the biggest reasons given by millennials who have left the church are: *

- The Genesis Account of Creation
- The Age of the Earth

Get Answers to the Following Questions:

- Do LCMS academic institutions currently teach Biblical Creation (creation in six ordinary days about 6000 years ago)? If not, why not?
- Are creation apologetics courses included in their curricula?
- Are there any science or evolutionary related courses in their curricula? If so, what are students taught regarding evolution?
- Do LCMS academic institutions specifically teach a Biblical worldview, including creation?
- What are the hiring practices for professors who teach creation-related or science-related courses?

Provide Your Feedback to our Academic Institutions!
Learn to Defend Your Faith and the Faith of Your Children!

Speakers Include:

- Dr. Jason Lisle, Biblical Science Institute
- Mr. Mike Riddle, Creation Training Initiative
- Dr. Dean O. Wenhe, President, Concordia University System
- President David Maier, Michigan District, LCMS
- President Terry Forke, Montana District, LCMS
- President John C. Wille, South Wisconsin District, LCMS
- Dr. David Adams, Concordia Seminary, St. Louis
- Dr. Joel Heck, Concordia University, Texas
- Reverend Joshua Scheer, President & Editor-In-Chief, Steadfast Lutherans
- Dr. Barbara Helmkamp, Ph.D., Physics, Faculty, Veritas Scholars Academy
