

## **Announcing: A Creation Research Society Special Event**

**The Creation Research Society is holding its annual Board meeting in Denver this year, under the leadership of President Dr. Don DeYoung.**

**Eighteen Board members and staff will participate in a mini-seminar on Friday evening, May 31 at Mississippi Ave. Baptist Church in Aurora, CO, sponsored by Rocky Mtn Creation Fellowship and the Denver Society of Creation.**

**The event will feature research status reports on the current research projects of the CRS, including “Investigation of Dinosaur Intact Natural Osteo-tissue,” (Dr. Kevin Anderson), “Examination of Kinds in Natural Diversification and Speciation” (Jean Lightner), and “Creation Cosmology” (Dr. Russ Humphreys.)**

**The church is located at the intersection of I-225 and Mississippi Ave. The seminar begins at 7 pm. Admission is free. Please join us and bring a friend !**
