MR. DAVID RIVES

“21 Verses Backed by Science! (The Bible Knows Best)”

This seminar covers how the Inspired Bible predated modern Scientific Discovery. Some topics include the remarkable migration of the Arctic Tern, The Paths of the Sea, germ theory, the stretching of the heavens, Complexity of DNA, dinosaurs in the Bible, and more...

About David Rives: Whether he’s on a documentary shoot at the Grand Canyon, chasing solar eclipses in the Pacific Northwest, rappelling on the cliffs of Qumran, Israel, or digging up Dinosaurs and flood evidence in the field of paleontology, you will be on the edge of your seat learning of David’s latest adventure! David is:

- *Founder & Director of the science TV network, “Genesis Science Network”*
- *Creator of over 230 short video features on science and the Bible.*
- *Producer of 80 DVDs in the “Wonders Without Number” Video Series*
