

IS YOUR CHILD AT RISK OF LEAVING THE CHURCH?

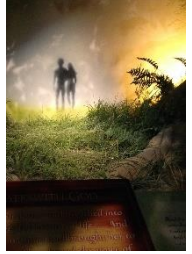

2-4 May
2019

Sixty Per Cent of our Children Are!

Two of the biggest reasons given by millennials who have left the church are: *

- The Genesis Account of Creation
- The Age of the Earth

Join us for a Conversation on Creation and Education in the LCMS!!

Get Answers to the Following Questions:

- Do LCMS academic institutions currently teach Biblical Creation (creation in six ordinary days about 6000 years ago)? If not, why not?
- Are creation apologetics courses included in their curricula?
- Are there any science or evolutionary related courses in their curricula? If so, what are students taught regarding evolution?
- Do LCMS academic institutions specifically teach a Biblical worldview, including creation?
- What are the hiring practices for professors who teach creation-related or science-related courses?

Provide Your Feedback to our Academic Institutions!
