“Male and Female He Made Them: A Brief Look At Transgenderism”

Transgenderism has swept through the country. What once was considered unthinkable has now become acceptable. What are the root causes of this? Why are so many children being seduced by this? In this brief overview, we will look at the Satanic attack on God's created order, gendered piety based on that order, how to combat this attack, and how to care for those caught in this trap.

About Pastor Packer: Pastor Packer was ordained and installed as the pastor of Our Savior on June 24, 2012.
